Notice of Commission determinations to conduct full five-year reviews.

ACTION: Notice.

SUMMARY: The Commission hereby gives notice that it will proceed with full reviews pursuant to section 751(c)(5) of the Tariff Act of 1930 (19 U.S.C. 1675(c)(5)) to determine whether revocation of the antidumping duty orders on polyethylene terephthalate film, sheet, and strip from Brazil, China, and the United Arab Emirates would be likely to lead to continuation or recurrence of material injury within a reasonably foreseeable time. A schedule for the reviews will be established and announced at a later date. For further information concerning the conduct of these reviews and rules of general application, consult the Commission's Rules of Practice and Procedure, part 201, subparts A through E (19 CFR part 201), and part 207, subparts A, D, E, and F (19 CFR part 207).

group responses with respect to the orders on subject imports from Brazil and the United Arab Emirates to its notice of institution (78 FR 60311, October 1, 2013) were adequate. The Commission found that the respondent interested party group response with respect to the orders on subject imports from China was inadequate but determined to conduct a full review of the order concerning China to promote administrative efficiency in light of the Commission's determination to conduct full reviews of the orders concerning Brazil and the United Arab Emirates. A record of the Commissioners' votes, the Commission's statement on adequacy, and any individual Commissioner's statements will be available from the Office of the Secretary and at the Commission's website.
